

The page is framed by a highly decorative border. At the top, a central floral medallion is flanked by two circular gold leaf portraits of figures. The sides are filled with vertical panels of intricate floral and foliate designs, interspersed with circular medallions containing figures: a cherub on the left, a profile of a man in a red cap on the right, and a landscape with a boat at the bottom right. The bottom features a large central medallion with a coat of arms, supported by two cherubs, and a circular medallion with a landscape on the right.

CUPRESSUS  
TEUTONICI COEMETERII

Teutonicos mulcet tumulos obscura cupressus:  
Luscinia hic latitans, nocte silente, canit.

Interdum argutos presso dat gutture cantus,  
Interdum timidum fundit ab ore melos.

Inflectit vocem; sistit; modulamina nectit.  
Quot condit liquidis carmina sacra modis.

Concinit haec noctu Petrum cunctosque sodales,  
Qui Christi testes occubuerunt pii?

Haec tellus ara est; lauros hic gloria nutrit;  
Hic rosa martyrii fota cruore rubet.
